Simplicity that’s designed to move you forward.

Businesses like yours just want to keep making progress and these are the A4 black and white printer & MFP’s to help you do so much more. Offering durability you can rely on, they also feature 1,200 x 1,200 dpi image quality, combined with an easy set-up and a built-in simplicity, so you can quickly and efficiently use every function. Their compact nature means you can position them almost anywhere – and with the added flexibility of mobile printing from various supported smart devices.

- Simple to install and operate with a dedicated app
- Easy to replace All-in-One cartridge
- Compact and front operational
- Supports Windows, Mac and Linux IT environments
- Printing and scanning with Android and iOS smart devices

The perfect outcome. Every time.

So simple. So flexible.

Our devices are intuitive and designed to be ready to use quickly without the need for a high level of technical expertise to manage installation. In fact, they help you get the job done quickly with easy access to the tools you use most often. And small footprint means you can position them almost anywhere in the room so no matter the size of your office, there's always a place for a compact, efficient yet advanced printer.

Connect with every device.

You can print images, documents and more using the Ricoh Smart Device Print&Scan app from your Apple iPhone, iPad and Android Smart Devices. All you need to do is download the app and be on the same network. Or if you're on iOS, you can print without installing the app too. It's really that simple.

High productivity. Higher quality.

The SP 325SNw and SP 325SFNw will give you enhanced productivity with its Automatic Reverse Document Feeder and more connectivity options with AirPrint support. Each device in this range will also offer you a fast output of images at 1,200 x 1,200 dpi quality giving you a level of production that will help you exceed your business objectives and achieve so much more.

Endless sharing options.

The SP 325SNw and SP 325SFNw will give you everything you would expect from a multifunction printer and are your gateway to document sharing. Use their capabilities to quickly scan and digitise your documents and make them easier to share by simply scanning straight to a folder, email or USB via the scan driver.
